Berlin

Voted one of the top four MICE destinations in Europe by the latest [Cvent Report 2024](#), Berlin is eager to host you!

The city is celebrated for its vibrant atmosphere and rich historical and cultural landscape, offering an array of world-class museums, galleries, and trendy dining and nightlife options. With its status as the [‘City of the Year’ at the 2024 Food and Travel Awards](#), Berlin boasts the greatest cultural and culinary diversity among European cities. From its exciting urban life to its diverse array of events and meetings, Berlin promises an unforgettable experience for every visitor.

Germany airports

Berlin's main airport, [Berlin Brandenburg \(BER\)](#), connects the city globally with direct and connecting flights. Direct flights from North America are available from cities like New York and Toronto, with airlines such as Lufthansa and Air Canada. For other cities, connections through European hubs like [Frankfurt](#) or London are common, making Berlin easily accessible.

AT A GLANCE

DATES: September 8 – 12, 2025

LOCATION: Berlin, Germany

CONFERENCE VENUE: JW Marriott Hotel Berlin

Welcome From The Co-chairs

Dear Colleagues,

We are delighted to extend this official invitation for you to supporting the 40th Anniversary Edition of the International HBV Meeting, scheduled to take place in the vibrant city of Berlin, Germany, from September 8 to 12, 2025.

This year's meeting will be a unique and vital platform for researchers to share the latest advancements in the field, including:

- **In-depth explorations** of the molecular virology related to hepatitis B and D viruses (HBV and HDV).
- **Crucial insights** into the host immune responses and the pathogenesis spurred by HBV and HDV.
- **Innovations in technologies** and analytical methodologies are advancing our comprehensive understanding of HBV and HDV infection through cutting-edge studies.
- **Development of new technologies** and analytical methods for deepening our understanding of HBV and HDV infections.
- **Engaging and interactive discussions** centered on the latest advancements in therapeutic development, involving both patients and clinicians.
- **Cutting-edge studies on drug discovery** that advance our effort to find a cure for hepatitis B and D
- **Joint discussions** on new therapeutic developments with the affected community, clinicians, and scientists, highlighting community driven approaches to healthcare.
- **Networking opportunities** tailored for professionals at every career stage within the HBV/HDV community.
- **A dedicated platform for trainees**, including graduate students and post-doctoral fellows, to present and discuss their research.
- **Opportunities for all attendees to network with the HBV/HDV community**, fostering connections that span across career stages.

This comprehensive approach ensures that the event covers all aspects of hepatitis B and D research, from molecular studies to patient-centered therapies, making it the only and crucial meeting for those in the field.

2025 marks the 40th anniversary edition of the meeting. We are committed to hosting this event in person at the magnificent JW Marriott Hotel Berlin, and we eagerly anticipate the opportunity to welcome you on-site.

The 2025 International HBV Meeting is set to bring together over 500 delegates from around the world, spanning various sectors including academia, industry, and clinical practice, all united by the common goal of finding a cure for chronic hepatitis B and hepatitis delta.

Your presence will undoubtedly enrich the discussions and contribute to the success of the meeting.

We look forward to seeing you at the 2025 International HBV Meeting.

Lena Allweiss, Dr. rer. nat.

The Legacy of the International HBV Meeting

The International HBV Meeting aims to provide an essential forum for researchers to share their discoveries, questions and insights through an interactive environment. With a history dating back to 1985, it continues to be the definitive international scientific meeting focused exclusively on the hepatitis B (HBV) and hepatitis D (HDV) viruses. This annual scientific meeting continues to bring the global thought leaders in the field together with young and emerging scientists working on hepatitis B virus (HBV), hepatitis delta virus (HDV), and hepatocellular carcinoma (HCC). Many, if not most, of the major discoveries in HBV and HDV were first reported at this meeting and have directly impacted drug discovery and other research that has advanced the science and medicine of HBV and HDV.

Who Attends

Industry professionals, graduate students, post-doctoral scholars, and scientists interested in all aspects of the biology of hepatitis B viruses, including:

- Biochemistry
- Molecular biology
- Traditional virology
- Immunology
- Pathogenesis
- HBV-induced cancer
- Latest therapeutic advances against HBV and HDV

Keynote Lectures

Ang Cui, PhD

Assistant Professor, Head of Systems Immunology Laboratory, Department of Developmental Biology,
Harvard School of Dental Medicine

Angelo Lombardo, PhD

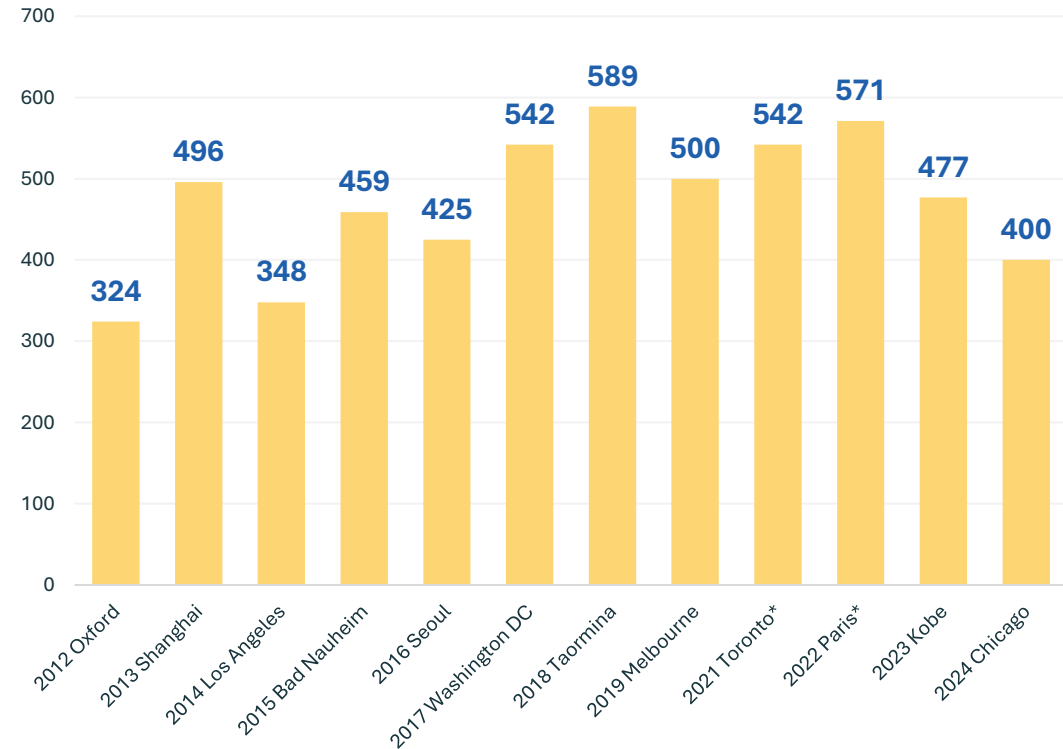

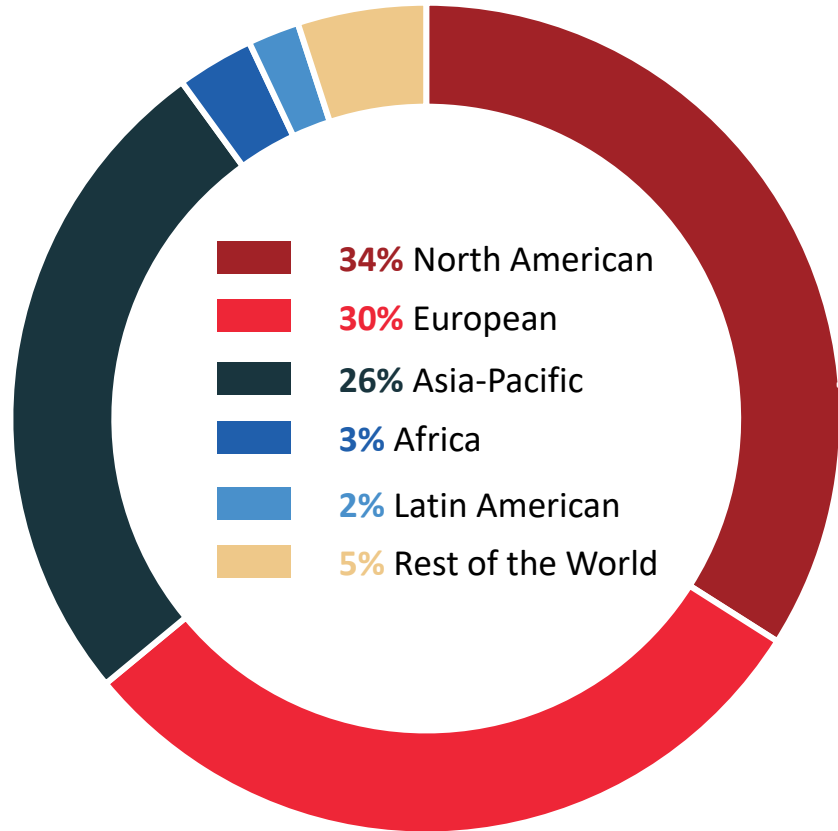

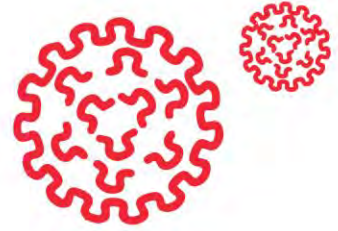

Assistant Professor, Group Leader of Gene Therapy Research, Department of Cellular and Molecular Biology,
Università Vita-Salute San Raffaele

Abstract Submission & Session Topics

- Molecular Virology
- Immunology & Pathogenesis
- Therapy

Select Activations

INTERNATIONAL TRAVEL GRANTS

(multiple foundation supporters and/or sponsors welcome)

Help us celebrate the outstanding works of many early-career researchers from around the world, especially those coming from under resourced settings. Recipients must actively participate in the 2025 International HBV Meeting through abstract submission and acceptance.

The supporting organization and recipients will be invited to participate in an awards ceremony during the opening remarks of the International HBV Meeting

DAILY POSTER LOUNGE

(exclusive opportunity)

Always a hub of activity during the International HBV Meeting, you will be recognized as a supporter of this dynamic space designed to showcase the latest research.

With the approval of the co-chairs and with an accepted poster presentation, the partner organization may also deliver a feature poster presentation.

Select Activations

CONFERENCE LANYARDS

(exclusive opportunity)

Increase brand awareness by adding your logo to the official meeting lanyard. The partner organization may also elect to provide an enhanced delegate badge. Subject to additional costs.

MOBILE APP & WI-FI

(exclusive opportunity)

Support the delivery of the Mobile App and Wi-Fi with your organization featured on the mobile app homepage log in and with a unique custom wi-fi password.

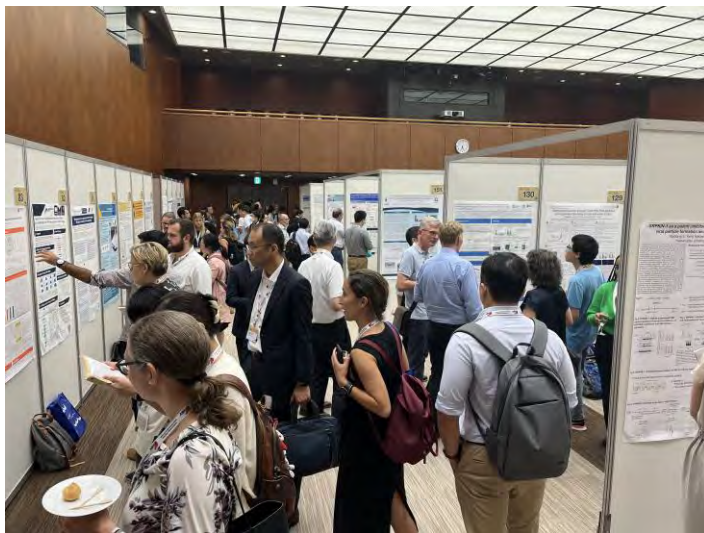

Select Activations

ANNUAL SOCIAL NIGHT

(exclusive opportunity)

The most popular social gathering to be held at the International HBV Meeting, your organization will be acknowledged as a key supporter of this event with digital and onsite signage.

2025 WELCOME RECEPTION

(exclusive opportunity)

The always well attended kick off to the 2025 International HBV Meeting, your organization will be acknowledged as a supporter of this key event with digital and onsite signage.

Terms and Conditions

CONFIRMATION OF SUPPORT

- Your support is confirmed upon execution of a letter of agreement.
- Upon execution of the agreement, an invoice payable within 30 days upon receipt will be issued.
- All payments are in USD.

CANCELLATION POLICY

- Cancellations must be submitted in writing by emailing meighan.jury@wearemci.com
- Cancellations received before 5pm EST April 30, 2025, will be entitled to a 50% refund.
- Cancellations received after 5pm EST April 30, 2025, are non-refundable and non-transferable.
- All cancellations are subject to a USD \$250 administration fee.
